

Product Information Sheet

1. Identification of the product

Product name: Steam Plus
Model: 0064-03
Manufacturer: Freudenberg Home and Cleaning Solutions GmbH
Im Technologiepark 19
D-69469 Weinheim
Contact Number: +49 6201 8087 1000

Picture:

2. Hazards identification

Not classified as hazardous according to GHS.

3. Composition/information on ingredients

This product is considered an article according to Regulation (EC) No 1907/2006 (REACH). Regulation (EG) No. 1272/2008 (CLP) for classification and labeling is not applicable.

Materials used:

Main Body: Polypropylene (PP), coated Cooper, Aluminum, Steel,
Polyoxymethylene (POM), Cooper (Cu), Thermoplastic Rubber
(TPR), Polyamide (PA)

Pad textile: Polyester microfiber (PES), Polypropylene (PP)

Packaging: Paper, LDPE

4. First aid measures

Not applicable

After inhalation: No first aid measures necessary.

Skin contact: No first aid measures necessary.

Eye contact: No first aid measures necessary.

After ingestion: No first aid measures necessary.

5. Fire-fighting measures

Suitable extinguishing media: No special measures are required

Special protective equipment for fire fighter: None.

6. Accidental release measures

Person related measures: No special measures are necessary.

Environment protection measures: No special measures are necessary.

Treatment for cleaning: No special measures are required.

7. Handling and storage

Storage: Store in dry and cool place at temperatures above 0 °C and below 45 °C. Avoid direct sunlight. Do not store close to heating devices.

For Handling in use refer to user manual.

8. Exposure controls/personal protection

Not applicable.

9. Physical and chemical properties

Not applicable.

10. Stability and reactivity

This product is not reactive under normal ambient conditions.

11. Toxicological information

Under normal conditions release of ingredients does not occur.

12. Ecological information

Not applicable.

13. Disposal considerations

Dispose according local electrical waste regulations.

14. Transport information

This product is no subject to transport regulations (IMDG, IATA, ADR/RID). No dangerous goods classification is required.

15. Regulatory information

The European Court of Justice has ruled in September 2015 that each single component in a complex article is itself an article according to EU REACH regulation and is therefore covered by the need to provide information in case it contains an SVHC in concentrations above 0.1 % (REACH §33).

Some of these SVHCs are still widely used. As our substitution efforts for such substances are still ongoing, the following substances might be found in parts of our product:

SVHC acc. §59(10)	CAS No.	Comments
Lead	7439-92-1	This element might be present in one glass diode.
