Declaration of identity Semperguard latex force

We hereby declare that the powder-free nitrile examination gloves offered under the brand name **Semperguard latex force** are equivalent to the examination gloves previously offered under the brand name **Semperguard latex IC powder free** or specification code **LCT-059NA**.

The gloves are produced according to the same production parameters, quality guidelines and fulfill all related regulations and standards as indicated in the respective declaration of conformity issued by HARPS. Any test reports valid for the model **Semperguard latex IC powder free** or specification code **LCT-059NA** also apply for the brand **Semperguard latex force**.
